

**Commonwealth of Massachusetts**  
The Trial Court  
Probate and Family Court Department

**Bristol Division**

Docket No. \_\_\_\_\_

**MEDICAL CERTIFICATE - CONSERVATORSHIP**

To the Honorable Justices of the Probate and Family Court:

The undersigned hereby certifies under the penalties of perjury that I am a registered physician and that I personally examined \_\_\_\_\_  
(name of proposed ward)

\_\_\_\_\_  
(street address) (city or town) (state)

on \_\_\_\_\_  
(date of examination)

and in my opinion the proposed ward:

- is unable to properly care for his/her property due to **mental weakness**.
- is incapable of caring for his/her property due to a **physical incapacity**. When seeking a conservatorship of a person with a physical incapacity **ONLY the ward must assent** to the petition. See G.L.M. c. 201 § 16 and the physician must make the following certification.
- I further certify that the proposed ward has sufficient mental ability to comprehend the nature of his/her act in assenting to the petition.

**THIS SECTION MUST BE COMPLETED FOR A CONSERVATORSHIP PETITION WITHOUT ASSENT:**

Describe in detail the diagnosis leading to the aforementioned opinion (including the types of decisions which the proposed ward has sufficient mental ability to make):
